The screenshot shows the CLIP STUDIO PAINT activation window. At the top, it says "弊社製品をご利用いただき誠にありがとうございます。" (Thank you for using our product). Below that, it asks for the product's serial number. A red box highlights the serial number "SP1HJE - NC9NAD - A9A568 - WJCJNL - 1KUPC9". A red arrow points from this box to the "Serial:" field in the "Manga Studio 5.0 (c) Smith Micro" window below. In that window, the same serial number is pasted into the "Serial:" field, also highlighted with a red box. A red box labeled "1" is around the "GENERATE" button, and a red box labeled "2、复制" (2, Copy) is around the serial number in the "Request:" field. Other buttons include "ライセンスを登録する", "ACTIVATE", "QUIT", and "キャンセル". A watermark for "绿盒博客 www.42xz.com" is visible in the center.
